# Online Missionary Testimony: **MENA**

“Ahmed, a 23-year-old young man in Saudi Arabia, gave his life to Jesus after reaching out to us on Masar Jadeed, our new TikTok program.

He started attending our online discipleship meetings and reading the Bible with us. What's more, we were able to connect him with a believer on the ground in Saudi Arabia! They have since been doing Bible studies together - praisie the Lord!”

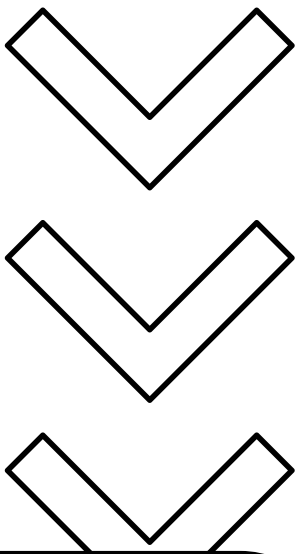

# Fun with Flags -

This flag features the pan-Arab colors of red, white, black, & green. This recent 2008 version removes the 3 green stars and features script instead.

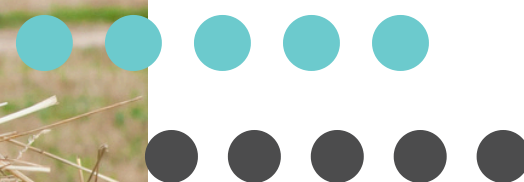

.....

The green script in Arabic spells out “Allahu Akbar” and represents the power of Islam in Iraq.
